

CCPA COMPLIANT

We are delighted to declare that

RECOGNITO

is now

CCPA

CALIFORNIA CONSUMER
PROTECTION ACT

We hereby confirm that Recognito.vision complies with CCPA and provides all the safeguards to protect your personal data.

The California Consumer Privacy Act (CCPA) is a comprehensive privacy law that regulates the collection, use and disclosure of the personal information of the resident of California by businesses operating in California.

We found it essential for us to follow the guidelines of CCPA while collecting the personal information of the users of our services who are in California.

Please find below the guidelines of Recognito.vision's compliance with the regulations of CCPA. We wasted no time to adopt an industry prevalent approach to protect the interest of our precious customers and their users as well.

1. Data Collection and Disclosure:

We ensure that we always disclose to the users any

- type of personal information that we collect
- the purpose for which the data is information is used
- If and why the information is shared to any third party.

2. CCPA Rights:

We provide rights to the users to know the follow:

- what personal information is being collected
- Request to delete personal information
- To opt-out of sale of personal information

3. Opt-out Mechanism:

We provide our users an opt-out mechanism to allow them to easily opt-out of any activity which they find may be a threat to their personal information. For e.g. we provide a "Do not sell my personal information" like on our official business website.

4. Privacy Policy:

We ensure to update our privacy policy as per the guidelines of CCPA and include all the necessary information i.e. data collection practices etc.

5. Verification of users' requests:

We have established processes to verify the users' requests for information or deletion of personal information to ensure that only the consumers or their authorized agent shall make such requests.

6. Employee Training:

We provide training to our employees who handle personal information to ensure they are aware of CCPA requirements and their compliance.

7. Children Privacy:

In case we are required to process any minor's information who is below the age of 16, we obtain consent from the parents or its guardian.

8. Security Measures:

We have implemented reasonable security measures to protect and safeguard personal information from any unauthorized access, use or disclosure.
